## תקציר:

In 1971, Hillary Rodham is a young woman full of promise: *Life* magazine has covered her Wellesley commencement speech, she's attending Yale Law School, and she's on the forefront of student activism and the women's rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced.
